

DEAN'S LIST DISCOUNT PROGRAM

Through the Dean's List Program, all U.S. and Canada-based K-12 schools, colleges, universities and other qualified institutions will be able to experience Yamaha quality at reduced pricing.

To access program benefits, participating institutions or their resellers will simply complete and submit the registration form for any qualifying Yamaha product order available at 5-10% off.

Upon acceptance, the discount is immediately applicable with the order placement.

Order form can be found on our [partner portal](#) or can be requested via email at uc-sales@music.yamaha.com.

"Good audio is crucial to creating environments that foster learning. Now more than ever, schools need access to effective collaboration technology and impeccable audio quality. Yamaha is dedicated to empowering educators with the tools needed to teach with equity, clarity, and confidence, whether in-person, remote learning, or a hybrid classroom. We're happy to provide our best-in-class audio solutions at a discounted price"

- Greg Mack, Director of North American Sales at Yamaha UC

****SPECIFIER DISCOUNT****

Yamaha UC will award an additional 5% discount* on top of our standard Dean's List Registration discount to the reseller partner who first specifies our products to address your customer's AV challenges. In order to qualify for the discount, the reseller partner is required to engage their Yamaha sales representative during the design process. This discount will only be awarded once Yamaha UC determines the reseller partner was responsible for promoting our solutions.

(*YVC-330 does not qualify for specifier discount)
