Display Mounting Solutions

EXCLUSIVELY FOR THE YAMAHA YVC / CS / ESB MODELS

A VERSATILE MOUNTING SOLUTION FOR ALL!

The YUC Display Mounts are unique multi-piece designs manufactured out of 12 gauge steel. The upper and lower brackets mate securely together with quality and precision. With an overall form that's both functional and minimal, it's focus is to showcase the Yamaha devices with no distractions. Whether it's a flush mounted CS-700 sound bar above or a well supported YVC-1000 speakerphone solution below, these mounts deliver!
